Good afternoon,

Pursuant to the Freedom of Information Act, I am requesting information about grievances submitted to the IDOC.

Specifically, I am looking for structured data as in a log of the grievances and the outcome of the grievance process, including fields:

- Assigned grievance #
- Date of grievance
- Complainant name
- Complainant race
- Complainant housing unit
- Present facility
- Facility where grievance issue occurred
- Nature of grievance (all indicated)
- Status of grievance
- Date when current status was assigned
- Whether grievance was reviewed by a counselor
- Whether grievance was reviewed by a grievance officer
- Whether grievance was reviewed by a warden
- Whether grievance was reviewed by the administrative review board

An Excel spreadsheet is preferable. If the information exists but not as structured data, then digital copies of the original submitted grievances will suffice.

Thank you,
